MEMORANDUM FOR : Chief, Signal Measurements Staff

SUBJECT : [] Discussion with Admiral Taylor 25X1A

25X1A

25X1A

I delivered the letter from [] indicating the changes in project [] to Admiral Taylor today. Adm. Taylor was not at all disturbed by the changes. Cdr. Crowder joined us and enthusiastically supported leaving the intercept equipment aboard the vessel.

25X1A

I briefly mentioned the recent contact we had with [] California, personnel regarding information for [] design. Adm. Taylor was apparently aware of this contact, and felt that this cooperation was desirable. 25X1A

Memorandum

TO : 25X1A

DATE: 25 June 1965

FROM : DAD/S&D

SUBJECT:

Some time ago the van which is in Europe was to be returned and
be refurbished out at the Facility. What has happened here?
